Dear Elizabeth, Staff & Residents,

It is truly amazing how quickly time marches on, and it certainly is hard to believe that fall is now upon us. At Community Care each season brings it's own set of problems and complexities. With each passing day we are challenged to meet the ever-growing needs of our clients. This certainly pales in comparison to the challenges that they face each and everyday. It is a continuous battle for them with no end in sight.

All of us at Community Care are truly grateful for your thoughtful donation of \$182.50 and 320 lbs of food! Your support is valued and appreciated by many. Your kindness and concern for the less fortunate members of the community is commendable. We are able to keep our doors open simply because you have opened your heart.

Together we are making a difference to those in need.

Sincerely,

Laurel J. Carr -Bleich
Branch Manager

*Many thanks
to all!*
